Gallery Jury Process

Dear Artist,

We are pleased that you are interested in being juried into the Glynn Art Gallery. There are several criteria for this process.

1. Three pieces of artwork in each media that the artist wishes to display in the gallery must be juried. Two-dimensional artwork must be framed and ready to hang to be juried. Three-dimensional artwork must be presented as it would show in the gallery.
2. Your work must be for sale at an appropriate price.
3. Artwork must have been completed in the past year.
4. Artist must have a current typed biography and/or resume when submitting the application.
5. There is a six month waiting period before an artist can reapply if he/she fails to meet the criteria of the gallery.

Artist submitting artwork certifies that he/she is the sole proprietor of all rights in and to the works, and that the works are wholly original, are not derived in whole or in part from any pre-existing work, and were created by the **Artist**. **Artist** further certifies that to the best of the artist's knowledge, the works do not infringe on any rights, including without limitation, any copyrights, trademark rights, rights of publicity, or proprietary rights, of any other individual or entity.

Artwork critique will include: technique, strength, design and composition, content, and presentation.

Thank you for your interest in Glynn Art Gallery.
